Organization

* Indicates Required Fields

Please provide a short description of your organization. Describe its overall objectives, core activities and organization type (e.g. museum, theater group, educational). *

Are there other organizations involved in the proposed project? Please describe them briefly.

Has any of the involved organizations received financial support from the government of the Netherlands in the past three years? If so, please name the project(s) and received amount(s). *

Do the involved organisations have policies to address integrity violations? If so, please briefly describe your policies. *

This concerns the way your organization deals with situations (potentially) involving (sexual) abuse, physical or verbal violence, bullying and/or other undesirable behaviour. Policies (can) include a code of conduct, confidential counsellors, whistleblower regulations, sanctions, screening of personnel during job applications, how you report on possible incidents and how you deal with integrity issues in collaborations with other organisations.

What amount of financial support are you applying for from us? *

Select the currency *

What are the total expenses for the project? *

Please include a project budget. You can choose to add it in an input field or add it as an upload (such as a .pdf or Excel document). *

Please note that not all costs or activities are eligible for a financial contribution. Check the instructions by our mission for more information.

The budget needs to include the total budget of the project (expenditures and anticipated revenues, if any). Include your own contributions, the requested amount of financial support from the Netherlands' mission and expected contributions from other sources. Break down the various costs and incomes as much as possible. Provide an explanation on the various parts of the budget. Please also check whether the budget is complete and arithmetically correct. *
