## EXHIBITION

**ERASMUS HUIS JAKARTA** 6 FEBRUARY - 2 MAY 2026

**OPENING** 5 FEBRUARY 2026 | 19:30

The exhibition explores the everyday moments in which we use, value and eventually discard plastic products. It focuses on the act of throwing something away as a choice that shapes the entire system around us. It invites you to see disposal as an act of passing on. Every piece of plastic that is properly separated keeps value in motion, moving towards a cleaner city, a fairer chain and a future in which throwing something away becomes the beginning of value, not the end. The exhibition is part of the Co/Lab program, a collaboration between Dutch Design Foundation, Wahu, Dutch Embassy and Erasmus Huis.

## CLASSICAL MUSIC CONCERT

**WESLEY METHODIST CHURCH MEDAN** 25 FEB 2026 | 19:30

**RRI SEMARANG** 28 FEBRUARY 2026 | 19:30

Holland Baroque enriches the musical canon with curiosity, approaching every score as an unfinished work of art. Led by artistic directors Judith and Tineke Steenbrink, the ensemble produces collaborative projects like Gospel Baroque and Love is Crazy, while reviving forgotten 17th-century composers such as Benedictus a Sancto Josepho. By combining knowledge, skill, and playfulness, they create a fresh musical experience with its own distinctive sound.
